

MEMORANDUM

TO: Ron Mitchum, Executive Director, BCD COG

FROM: Seth Duncan, Site Manager, SC Works Dorchester

DATE: March 18, 2013

SUBJ: TABE Waiver for Dislocated Workers from General Dynamics/Force Protection

The General Dynamics facility in Ladson recently downsized due to economic conditions. Approximately 52 or more individuals were impacted by this event. In order to expedite their enrollment into the Workforce Investment Act (WIA) program, I am requesting a waiver of the TABE requirement under the Eligibility and Enrollment Policy, as approved on November 15, 2012.

Approved
