SUBJ: TABE Waiver for Dislocated Workers from Hostess

The Hostess facility in Summerville recently closed due to economic conditions. Approximately 16 individuals were impacted by this layoff, with nearly half seeking Workforce Investment Act (WIA) assistance thus far. In order to expedite their enrollment into the WIA program, I am requesting a waiver of the TABE requirement under the Eligibility and Enrollment Policy, as approved on November 15, 2012.
